

1-2-3 Grow Overview

Play With Purpose Program

This group-based program is designed for children 18-months to 6 years (chronologically as well as developmentally) who need assistance with:

- Neurodevelopment
- Language
- Speech
- Communication
- Cognitive Delays
- Sensory/Motor Planning
- Fine/Gross Motor

Parents or caregivers participate with their children in this fun and hands-on 55-minute program. Supervised by our certified Speech and Language Pathologist, the child/parent pairs can attend as many classes during the week as they wish. This program encourages your child's growing edge.
